

Master Class

with Mojgan Jahanara and create your own Batik piece of cloth

with Penang symbols 21st Aug to 26th Aug 2017 at KKG

MAIN:

- This class is meant to help you find the items/symbols that you find here in Penang, adapting them and transferring them to paper. You will be led by Dr. Mojgan Jahanara. **Level I** will comprise taking pictures and from which you will choose one to transfer onto paper. Then later colour it. The first part will be ready.
- Further, for **Level II**, you will refine your work more, then you will be taken to a place where you will be shown the Batik technique, in order to transfer your design onto cloth, then colour it with the Batik technique. There are basically 2 sizes to

choose from (**30 x 30 cm or 60 x 60**), the larger one being more costly. The smaller size is more for hanging/displaying and cannot be washed, whereas the larger size can be used and washed (like a scarf for eg.)

- The last day will be spent finishing the work and then having a mini exhibition of the items with the co-attendees, at the KKG.
- Last but not least, in the evening of the last day (Saturday 26th August) a party will be held at KKG to crown the work, days spent together and the sharing of ideas and friendship of Levels I and II.
