

Where are our PingHubs?

When you become a member and seller with Ping Hub you will be registered to an Established Local PingHub that currently exist in the following countries: UK, China and Malaysia. Our Pending and Future Local PingHubs are constantly evolving and we aim to have hubs in all continents around the world soon.

How to become a member

Becoming a member of PingHub Network means that you will sign up as one or more of these membership categories:

- Core Member
- Supplier Member
- Sponsor Member

Step 1: Choose your membership category

Once you know the membership type that you require you can either join online via the membership section on the Ping Shop or contact your local hub directly via the website.
